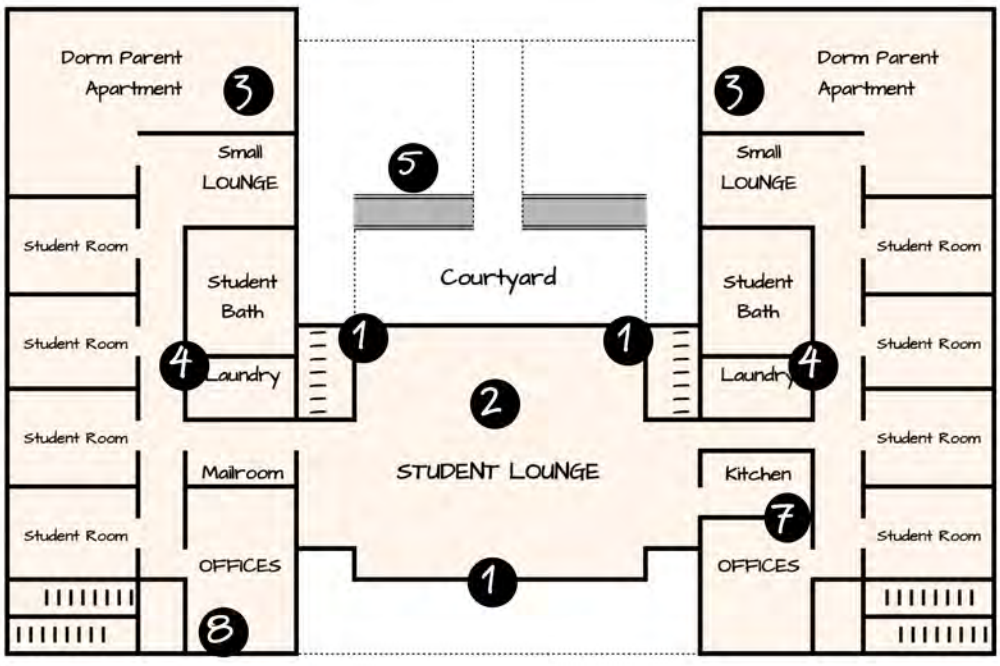
Dormitory Living
at Lincoln Academy

Why choose to board at Lincoln Academy?

Built in 2014, Kiah Bayley Hall is home to 50 boarding students each year, from over 15 countries around the world. There are five distinct hallways or "wings" divided by gender. Rooms are generous in size, with a bed, desk, wardrobe and bureau for each student. Students are assigned two to a room, each with a student from a different country. Safety is a priority at all times; doors are locked 24 hours a day, every day and require key access. Alarms are set at 11:00pm between wings and to the outside.

At the end of each wing, dorm parents live in spacious apartments with their families and pets. Dorm parents and advisors are trusted members of our faculty who offer support during the week and weekends, and make dorm life fun as they plan, coordinate and attend activities with students. The community is large enough to find friends, but small enough to feel like family.



1. All entrances are locked 24 hours/7days a week.
2. Student Lounge
   Game tables, group work spaces, multiple couches and a large screen projector.
3. Dorm parents live at the end of each wing.
4. Each wing has a bathroom with showers and free washer and dryer.
5. Outdoor Courtyard
   With barbecue pit, lawn and plenty of room to socialize.
6. Student Rooms
   Boys and girls on different wings, two to a room.
7. Student Kitchen
   All student meals are prepared and served in the Dining Commons on Campus, but the dorm kitchen is available for students to cook and maintain as a community.
8. Residential Life Office Staff coordinate student activities, health and safety, and support students as they learn to live independently.
